FROM THE PASTOR

Brothers and Sisters in Christ,

I would like to express my appreciation to all of you for your kind and generous response to the "pastor appreciation" prompt in October. As I begin my eighth year with you, it is a privilege and honor to serve as your pastor.

I have been sensing a movement of the Holy Spirit at SPC, particularly as Session has become more intentional in talking about and focusing on making disciples. We believe discipleship is critical to carrying out our mission, which is to Share Christ, Serve Others, Grow Together in Faith. We are mission oriented because of Jesus' command that we be so, most famously stated in the Great Commission of Matthew 28:19-20, which begins with the instruction to "go and make disciples." Of course, you have to be a disciple in order to make a disciple, which is leading us toward a disciple-making strategy through the ministries of SPC to help us fulfill our mission to the world.

At our October retreat, we began talking about the following dimensions of discipleship trying to answer the question, what are we actually trying to help people do? Below are the five dimensions we are discussing stated in their simplest form:

ENCOUNTER Christ
BELONG in community
BECOME more like Jesus
GIVE our time and gifts
GO share Christ and serve others

Being a Christian is less about an adherence to a set of beliefs and more about a relationship with Christ. We are discussing ways we can encourage and allow space for people to have their own Christ encounters.

Belonging speaks to a heart-felt need of most human beings. Belonging to the body of Christ meets many needs for personal care and spiritual growth. Belonging also enables us to share resources and ideas with each other as encouragement along the Christian journey.

Of course, the goal of the Christian life is to become more like Jesus. In grace, God used the work of Jesus to reestablish our relationship with Him. In gratitude, we respond by trying to emulate Jesus' actions and have His mindset in everything we do.

We have had a particular focus on stewardship in October, but stewardship is not relegated to one season. Instead, it describes a lifestyle in which we aspire to be generous with all that God has given us, sharing our time and gifts with others to fulfill Christ's mission.

Finally, so many times in Scripture we read of the command to "go." This was the first faithful step of Abraham who left his country to go to a foreign land as God directed. We, too, are called by Jesus to "go and make disciples." A faithful church is a sending church, not a sitting church. This means we send our resources and our people not just into the community, but throughout the world. We seek to be missional, meaning that we see ourselves as Christ-bearers wherever we are - in our homes, neighborhoods, schools and workplaces. No longer do we wait for people to come to us, but we eagerly go out seeking them.

A strategy of making disciples, both here at SPC and of all nations, requires us to regularly ask ourselves and the congregation as a whole: what's your next faithful step? For it is a strategy that requires the gifts and efforts of each of us.

I pray you will feel the winds of the Spirit beginning to blow, both within your own heart and throughout SPC. I hope this will foster an excitement in you to continue to support the work of SPC through your pledges and commitments of time and energy. I am your pastor, but we are all called to ministry in God's kingdom. It is both a responsibility as well as a joy. I hope you will experience joy in the journey as you come along with us into the next year and beyond!

In Christ's service,

Pastor Anita

SERMON SERIES

The first Sunday of November is a special day. We will celebrate Scottish Heritage Sunday as we always do, led in procession by a bagpiper and our beadle carrying the Bible. Should you have a Scottish tartan or sash, you are invited to wear it. Also, bring shortbread for Coffee Fellowship and come view a display of church artifacts. This day will be especially joyous because it will also include the dedication of our pledges, the commitment of our financial gifts to the mission of the church.

The three following Sundays in November we will have a sermon series with a twist. We will read the same New Testament Scripture, the Parable of the Prodigal Son, but each week we will look at it from a different character's perspective: the prodigal son, the elder brother, and the loving Father.

The Sunday after Thanksgiving marks the beginning of Advent, with each sermon associated with a phrase or verse from the beloved carol "Joy to the World."

SCOTTISH HERITAGE SUNDAY, NOVEMBER 1

TRADITIONAL WORSHIP MUSIC

There is a lot happening in the world of music at SPC!

The Jewel Tones sang for the October 18th service and were well received and the Handbells were finally back ringing on October 25th. We are excited to be back up and running fully!

As we look ahead to November, we are already preparing for Advent. Advent is a season for singing and for waiting. Waiting on the promises of light and love in our world. Thus the themes of longing for Hope; Faith that the Messiah will come; Joy for the birth of Christ and the Peace that will reign forever.

Our Chancel Choir is busy preparing the Cantata for December 13th and if you are interested in joining us to sing the cantata please reach out to William Bennett as soon as possible so we can get you music!

Sara Kaczmarski and I are working to bring back the Children's Christmas Pageant. We are working for Sunday December 6th to coincide with a holiday cookie decoration event! More information to come.

There are great things happening in our musical ensembles and we are adding new members. Now is a great time to get involved with one of our ensembles. If you are interested in joining us please reach out to William Bennett at summervillepresmusic@gmail.com for more information.

Remember that Advent is a season for music and song and we love to hear your voice in the congregation singing all of our Advent and Christmas favorites. We look forward to worshiping with you during this special season!

Director of Music

HYMN HISTORIES

HIS EYE IS ON THE SPARROW

A hymn of the month for November could be one of thanksgiving for what we have or thanksgiving for who we are. This month's hymn reflects the latter.

Civilla D. Martin (1866-1948) was a Canadian-American writer of many religious hymns. Her husband, Walter Stillman Martin, was first a Baptist minister but later switched to the Disciples of Christ Church.

Civilla's inspiration for this hymn came while visiting a bedridden friend who exhibited such joy and happiness in spite of her disability. When asked about her happiness, her reply was simple.

"His eye is on the sparrow and I know He watches me."

The beauty of this simple expression of boundless faith gripped Civilla's heart and fired her imagination.

This hymn is the outcome of that experience. As stated in Matthew 6:26, "Fear ye not therefore, ye are of more value than many sparrows."

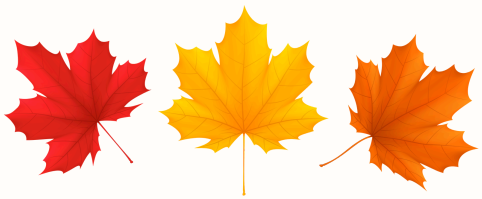

Charles Hutchinson Gabriel (1856-1932) was the composer of the music. He is said to have composed between 7,000 and 8,000 songs. His father led singing schools in their home. At a young age Charles taught himself to play the reed organ, and continued a life in music with no formal training.

The impact of this hymn has resonated over the years. Ethel Waters helped popularize the hymn in the early 20th century by singing it at Billy Graham crusades. She also used the hymn title for her autobiography.

Another singer whose autobiography title was influenced by the hymn was Diana Ross. Her autobiography is "Secrets of a Sparrow."

Others who have recorded the hymn are Mahalia Jackson, Whitney Houston, Jessica Simpson and Marvin Gaye. These recordings increased the hymn's popularity.

The recording which affected our congregation the most was played at Deborah Styles' memorial service. It was of her singing the hymn in the most beautiful, clear soprano voice, which brought tears to the eyes of many of us who heard it.

SPIRITUAL GROWTH

Happy November SPC!

How is it already November?! This year is flying by, and we have so much to look forward to over the next several weeks! Before we get swept up in all things Christmas, we have some wonderful opportunities to spend time together, give back, and celebrate the season of gratitude.

First up is our **Second Annual Church-Wide Friendsgiving! Join us on Sunday, November 15, at 12:30 PM** in the gym for an afternoon of food, fellowship, and fun! The church will provide the turkey, and we ask everyone to bring a side dish or dessert to share. Bring your family, invite your friends and come enjoy some time around the table with our church family. We would LOVE to see everyone there!

We will also be organizing Thanksgiving Together again this year! If you would like to host additional guests for Thanksgiving, or if you would love to celebrate with a few more folks from our church family, please reach out to Sara or Julie in the front office. We had an amazing turnout last year, and it was so wonderful to see new friendships formed all around! You never know what connections might be made when we open our tables and our hearts to others.

We will also be participating in Operation Christmas Child again this year! Shoeboxes are available in the church office, along with instructions, a list of permitted items and labels. Once your box is packed and ready to go, please return it to the church office on or before our Friendsgiving event on November 15. This is such a wonderful opportunity to share God's love with children around the world, and I hope many of you will join us in participating!

And, of course, Christmas is right around the corner! We have lots of fun Christmas events coming up in the next several weeks, and I can't wait to share more with you as we get closer. It's always such a special time of year at SPC, and I'm looking forward to celebrating with all of you!

As we head into this season of gratitude, I hope you'll take advantage of these opportunities to connect with one another, welcome new friends, and share a little extra love with those around us. I'm so thankful for this church family and all the ways we continue to grow together!

In Christ,
Sara Kaczmarski, Spiritual Growth Assistant

MOTHER'S MORNING OUT

Hello SPC Family!

Finally the fall weather has arrived. The children have been enjoying spending more time outside, including a chapel lesson. November brings lots of additional fun activities. Our themes for the month are Farm Animals, Jonah and the Whale and all things Thanksgiving prior to going on our Thanksgiving break. Our last day of school will include a friendsgiving party for each class. It is always a highlight of our season. We are also "Feeding a Turkey" again this year to collect food donations for Grace Table and Blessing bags.

Looking ahead to the rest of the holiday season, we will be having our Christmas Program on December 17th starting at 6 pm. This year will be a little different as we will be recording our younger classes singing some songs as part of our production, so all students have the opportunity to be included. Our Green Frogs, Purple Cats and Red Birds will all be performing live on the stage in the gym. Please come out and let our students show you how they are celebrating Christmas this year. If you are interested in getting involved at the school as part of your next play, please email me. I can always find a place to get you plugged in.

Donations needed: Snacks, snacks, snacks! We provide two snacks every day for each of our 90 students. The children enjoy pretzels, Goldfish, applesauce pouches, animal crackers, fresh fruit, graham crackers, cheese sticks, butter crackers, fruit cups and chips. There are lots of holiday themed goodies available this time of year, so feel free to send those our way as well. We are always encouraging the children to try new things, so anything nut-free is wonderful!

NURTURE

Throughout the 2026 summer months, The Nurture Ministry Team offered SPC's fifth cycle of DivorceCare via Zoom. Our team of five facilitators included "old timers" Ginny Lyles, Tony Young and Diane Dunham. Our two new facilitators, Cathy Quinn and Sharlene Douthit, have really strengthened our facilitating team and given flexibility to our teams' scheduling. Many thanks to all of the facilitators for their commitment to this ministry and to our participants.

Each Thursday evening beginning June 4th, up to 10 participants joined us from the comfort of their own homes. They were far flung, with several from the Summerville and Lowcountry areas, and others from Michigan, Georgia and Delaware. Over the course of the summer, participants shared their stories of pain, needs, and hopes with such courage, openness and empathy for each other. Together with facilitators, they considered professional and scripturally-based videos guiding them through their new realities with increased confidence about how they are managing.

At the end of our 13 weeks together, comments from participants include:

- Thank you so much for leading this DivorceCare group. It has been a wonderful connection for me each week while going through such a life challenge/transition!
- It's great to meet with people who are going, or have gone through this process. Nice not feeling alone.
- Being able to comfortably share my story…without fear of judgment…was so helpful!
- The leaders and participants were very helpful, Spirit-filled and supportive.
- As I navigate my next steps, I will probably re-watch the videos and go through the book again—they are both incredible resources!

Being so closely connected for 13 weeks, we established some wonderful camaraderie and shared some well-needed laughter. To stay connected, we have planned a DivorceCare "Surviving the Holidays" online session for this group on October 22nd when we will be able to reconnect and share progress. Between now and then, participants will receive a gift to support their continued healing. For the facilitators, our gift has already been delivered through our participants and the sharing of this ministry.

To God Be the Glory!

COLUMBARIA UPDATE

Our second columbarium was installed in the courtyard about 10 months ago. Together with the first columbarium and the lovely landscaping around them, we have a beautiful and serene garden area in which to pray and reflect on our loved ones gone too soon! There are 32 niches in each columbarium with each niche holding two person's remains and costing $1000 which includes the cost of the engraving on the front of the niche. We have sold 28 niches in our first columbarium with 4 remaining to be sold. Only seven niches have been sold in the second columbarium with 25 remaining.

Please contact Sharon Klein with questions or if you would like to choose a niche to purchase from either columbarium.

We are still in the season of inventory for **Hands of Christ.** Every month we will have workdays where we will focus on getting inventory complete. The November workdays are November 14th starting at 8 am and November 20th at 9 am. The more hands involved, the faster we will finish. Please come help so we can be complete with inventory prior to the start of the Christmas season.

In His service,
Sheila Wilson and Heather Kemble

Hearts for Summerville is already in full swing into the holiday season!! We are collecting stockings, stocking stuffers and gifts of all types for children, babies and high school seniors. As always, we know our teens need some extra love for the season, so we are so grateful to be able to provide special gifts for them in addition to our younger kids.

We will deliver turkeys on November 21, making sure that all of our families are covered for Thanksgiving. Our Christmas party will be held at SPC on Saturday, December 12, and we welcome all of you to volunteer. We will release a sign-up at a later date, but you are also able to just show up and we will plug you in. This is such a fun way to connect with some of the families you have been supporting throughout the year.

STEWARDSHIP 2027

Dear SPC Family,

Thank you for your generosity, commitment and investment in Summerville Presbyterian Church through your pledges presented on Dedication Sunday! We are truly a blessed church. Your pledge is an act of service and worship thanking God for the gifts he has graciously given.

Planning Season
Did you know that right now each ministry team and Session are discussing their needs, wants and goals for 2027? Did you know that pledges are the primary and most reliable source of information used by Session and the Ministry Teams to evaluate whether those needs and wants are possible? Did you know that in addition to Ministry Teams, our church staff's salaries and decisions on new staff hiring capabilities are driven by the information the Personnel Committee has from pledges? We must be good stewards of God's gifts and SPC's financial resources, but to do so we must be able to plan, and planning can only be done effectively with reliable information that comes from your pledges.

Gifts of Service
At our Fall Kick Off we were challenged to find our next play at SPC. Over the last month we learned more about all the wonderful work our Ministry Teams do and all the opportunities to serve. 1 Peter 4:10 tells us, "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." We hope you are inspired to try something new and to share your time and your talents in service.

Time's A Wastin'
So, what does this mean for you? As the saying goes, there's no time like the present! You can join the choir, volunteer to teach Sunday School, join a Small Group, volunteer with Grace Table or Meals on Wheels, or volunteer your time wherever you feel led.

If you typically pledge to SPC but have not had an opportunity to do so yet or if you have been considering a pledge for the first time but were not ready on November 1, we humbly ask that you make that commitment now. Doing so will provide the Finance Committee with the vital information needed to effectively plan for 2027 now.

How do I pledge now you might ask? Click the QR code below or you can still fill out a pledge card and mail it, bring it to the church office, or put it in the offering plate on Sunday morning. You can also contact our new Finance Director Natalie Hanberry directly to share your pledge via phone or by email. As always, your pledge amount is confidential and is only known by the Finance Director.

How to Give
You can give via check (weekly/monthly/quarterly), via ACH electronic payment, by auto draft, online, or even through stock and IRA transfers. If you are "of a certain age" you can give via a Required Minimum Distribution (RMD). Of course, please discuss any questions regarding tax benefits with your financial advisor.

Give from the Heart, Invest for Eternity.
Throughout this month you will see signs showing your generous gifts and what is still needed to reach our goal of $816,000 in pledges, just a 5% increase from last year's pledge amount. Please think about how your gift will be an investment in SPC's goals for 2027 and give from the heart.

In Christ,

Your Stewardship Committee

FINANCE AND SESSION UPDATES

Greetings! Below are several items of interest of recent Session activity:

Session held a Retreat on Saturday, October 10 at the Summerville Chamber of Commerce. You are probably wondering: What does one do at a Session Retreat?

- We read scripture and prayed.
- We reviewed 4 chapters of our leadership book *"Canoeing the Mountains."* This book is helping us learn lessons on how to deal with unanticipated challenges, just as the explorers Lewis and Clark did when they had to 'reset' their strategy to cross the Rocky Mountains. Adapting to change is critical – we experienced this as Hurricane Isaias forced us to change plans and location the day before our Retreat!
- We continued to focus on developing a Strategy to support the SPC Mission and Core Values. Discipleship is a key component.
- We continued to discuss General Assembly decisions and several Session members will develop a response to express our concerns.
- Finally, we closed with serving communion by intinction to each other.

If you have any questions, please feel free to see me or contact me at Summervillepresclerk@gmail.com.

Blessings,
Oden Semones
Clerk of Session
